BOTSCHAFT

Guten Appetit!

BOTSCHAFT

[ˈ b o ː t ʃ a f t]

BOTSCHAFT is a little bit of home for us.
German and Austrian food, a restaurant in the front,
a bar in the back and the kitchen right in the middle.

New is our set menu with five courses and some extras,
for when you want us to take care of dinner. And there's
still à la carte, with favourites like Maultasche and
Kaiserschmarrn, for when you know what you want.

We want to see what you like and what you look for in
our menu. More familiar dishes? Something new?
Tell us what you enjoyed and what you're missing.
We have our ideas, of course.
But you're the ones sitting at the table.

Schön, dass ihr da seid.

Allergies or special diets? We're happy to help :)
